

VISION

Windfield International School seeks to inspire children to become global citizens through an inquiry-based learning environment immersed in multiple languages and cultures. We seek to incorporate the best of traditional values and Thai culture, with an engaging and forward-thinking programme that equips students for life and work in the 21st Century.

MISSION To achieve our vision:

- We engage students with a holistic, challenging academic curriculum
- We have an inquiry-based approach that nurtures curiosity, critical thinking and research skills
- Our passionate, faculty and staff are dedicated to the needs of all students
- Our vibrant and inclusive community enrich engagement, support and collaborate
- Our children take responsible action within and beyond our school community
- Our graduates thrive in a diverse global environment showing language fluency, and cultural intelligence
- Our diverse language programme promotes intercultural awareness and aids 21st century learning skills (Communication)
